10		This matter comes before the Court on Plaintiff's Motions for Default Judgment. Dkt.

---

<sup>1</sup> Judgment was not entered against Defendant Lee at the time the Court granted Plaintiff's motion for default against Defendant Lee in December 2021 because the action was still pending against Defendant Medlogix Surgical Solutions, LLC at the time. *See* Dkt. No. 14. In diversity actions, post-judgment interest is governed by federal law. *Citicorp Real Estate, Inc. v. Smith*, 155 F.3d 1097, 1108 (9th Cir. 1998). The post-judgment interest rate is the weekly average one-year constant maturity Treasury yield for the calendar week preceding entry of judgment. *See* 28 U.S. Code § 1961. Therefore, since judgment is being entered on September 8, 2022, the post-judgment interest rate for both defendants is the weekly average one-year constant maturity Treasury yield for the calendar week ending on September 2, 2022.

Dated this 8th day of September 2022.
